

# 2020 Vision

Moving towards the church that God images for us

Recently a cohort of church leaders excited about congregational transformation and change gathered to vision and re-imagine the church for 2020. After several days of exciting and passionate conversation and debate the group developed a vision for the church in 2020.

## **Visioning Healthy Churches and Presbyteries In 2020**

- Strong Competent Spiritual Leader
- Spiritually mature leaders whose role is prayer and discernment for the congregation
- A multicultural worshiping congregation that reflects the neighborhood
- Engages in building relationships and sharing their faith with others
- Embraces God Given Missional Challenges with passion
- Welcoming strangers is the norm
