Breaking News!
Visitors are coming from South Africa!

Donegal Presbytery will host a delegation from our sister presbytery in South Africa in mid-November 2010.

This visit celebrates our 10 year partnership with the Presbytery of Mthatha. We plan to formally renew the covenant at the November meeting of Donegal Presbytery.

You are invited to participate in a “Month of Prayer and Support for Mthatha Presbytery.” Please take home a calendar and a “soup can label” and participate with our congregation in this month of study, prayer and giving.

Proceeds from this project will help support the costs of the visit beyond the budget and provide seed funds for the Computer Literacy Project of the Mthatha Presbytery.

The Donegal Presbytery International Partnership Task Force invites you to meet members of the delegation during their November visit and to learn more about life in South Africa.

More information about meeting opportunities will be posted on the Donegal Presbytery website as the date approaches.
