

2008 Minute Review Meetings

The SESSION MINUTE BOOKS and ROLL BOOKS of all churches within Donegal Presbytery must be reviewed in the spring of 2008 in compliance with the practices approved by the presbytery. The 2008 schedule of these meetings is provided below. Each church will receive a reminder with further information about the meetings.

Your church has been scheduled for a particular area meeting, however you may attend any one of the seven sessions if it is more convenient for your delegates. We ask that you notify the member of the Overtures, Amendments and Review of Minutes Committee (OAR)*, listed at the end of the schedule, if you must attend a session other than the one listed for your church. Please make every effort to attend one of the scheduled meetings.

If you cannot be present at any one of these seven areas, it will be your responsibility to arrange to meet with the Clerk of Session of another church to have your Minutes read and the forms completed. The Moderator of Donegal Presbytery has the stamp so you will be able to have the Minutes stamped at a Presbytery meeting.

Books merely dropped off at the reading location cannot be read.
