- 1) The New Wilmington Mission Conference July 19-26, 2008 (www.NWMCmission.org) is an excellent event for your youth and others from your church. We have scholarships available to help out. Contact Tom Milligan at (717)548-2266 or lbpc@littlebritainchurch.org
- 2) We have a survey we would like each church to complete and return by May 30th. Please make sure that this gets to the proper person to be completed. We hope to email this to each church as well.
- 3) The Samatee Church, in Ethiopia, is not yet complete. We have a half built church that we need to complete. The total cost is around \$28,000 to finish the project. Please see what you can do to help finish this project.

-What is done:
The walls, roof, window frame

What needs to be done:
Floor, doors, glass for the windows, painting, lighting, pews, ceiling.

This is a congregation of 500 people who are growing in number and spirit, however it is discouraging for them to see a half finished church building. We have been challenged, what can we do about this?

We are working on breaking down the cost so if some church would like to make it their project to say buy the doors for the church, they can do that.

Let's take this challenge seriously and finish what we started. Remember it reflects on our witness and that of the whole church!

The prices continue to rise, so let's not keep putting this off. Please Contact Tom Milligan or Gemechisa Guja with any questions.
